

House Republican Ranking Member Website Guidelines

Committee websites should:

- Feature all statements, committee documents, or other relevant materials in a searchable format within one hour of public release.
- Post the results of committee votes, including individual member votes during recorded votes, within one hour of a vote.
- Syndicate content through working RSS feed(s)
- Feature an email sign up form.
- Feature live streaming and archived video of committee proceedings.
- Feature a functional search tool.
- Feature an attended contact form.
- Feature links to GOP.gov and other leadership websites.
- Be compliant with Mozilla Firefox, Microsoft Internet Explorer, and Apple Safari browsers.
- Feature links to each committee members' website.
- Feature an updated schedule of committee proceedings.
- To the extent possible, incorporate popular social media tools such as YouTube and Facebook.
- Be presented in a clean, logical format.

Leadership staff and other resources are available to assist with these requirements. Please contact Nick Schaper, Director of New Media for Leader Boehner, at nick.schaper@mail.house.gov or 5-4000 with any questions.
